

OUR COMPANY

Double Eight is a professional event management company specialized in concept creation, event management, artist management, artist booking and high-end production with an edge in providing clients with custom-made and distinctly creative events in the Arab world and beyond.

For over four decades, Double Eight has delivered flawless festivals, weddings, conferences and various events in Lebanon, UAE, Syria, Jordan, Egypt, Kuwait, Bahrain, and Morocco, France, Australia, UK, USA, Canada, Brazil, Venezuela, Greece and Sweden.

Double Eight is a client-centered business which core values are professionalism, uniqueness, and resourcefulness. Its vision is to consistently reinforce and integrate excellence into every event, large and small while setting the business trends and proactively launch distinctive cultural events wherever they operate.

OUR SERVICES

For over 20 years, our production team consists of genuinely dedicated, hard working individuals. Our first priority is providing the highest level of professional service while delivering a personalized and friendly creative environment to all parties.

Through careful planning, preparation and post-event follow-up, we provide successful events for the most challenging and selective of clientele.

Double Eight proudly features its diversified entities to provide you with a comprehensive range of services making it with no doubt the partner of choice!

- **Double Eight Events** for concerts and events management.
- Double Eight Weddings for weddings management.
- Double Eight Audio Visual for technical sound & light services.
- **Double Eight Spaces** for stages, grandstands, theaters...

DOUBLE EIGHT EVENTS

Double Eight has longstanding relationships with many of the top artists' management, entertainment agencies, talent agencies, booking agencies and booking agents.

We provide you with a full service entertainment production company with strategic partnerships with a full inventory of sound reinforcement and staging equipment.

Specializing in concert tours, trade shows, corporate, and other special events, we are well known for creating events that reach their maximum potential.

DOUBLE EIGHT WEDDINGS

Double Eight delivers expertly planned elegant weddings, designed to exceed every couple's expectations. We specialize in unique, first-class wedding celebrations with the essential style and taste that couples seek for their wedding day.

Our aim is to take into account every wish, moment or fantasy a bride has, to craft the charming touches that will distinguish the celebration of her dream and to transform this joyful day into an unforgettable sweet memory.

We enjoy taking the time to bond with our clients to really understand their needs and tailor a venue-specific design. We provide turn key solution design, furniture, shows, artists, kusha, ushers, stage, AV, dance floor... With your vision and our expertise, we can help create your dream wedding.

DOUBLE EIGHT AUDIO VISUAL

Double Eight administers a mindful concentration and formal coordination to produce creative outline according to our client's goal or event project visionary.

We provide a state of the art audio visual, computer, lighting, staging and dynamic technology equipment.

We utilize the right mix of visual impacts associated with a team of highly qualified technicians.

One of our advantages is having extensive lists of in-house production to completely provide you with innovative and customized solutions.

DOUBLE EIGHT SPACES

Double Eight produces dynamic and engaging environments for all kinds of events. Our experts work endlessly to provide you with a comprehensive event and concert staging service for corporate, television and outdoor staging markets.

Our devoted and reliable staff aspires for innovative stage designs while using the latest techniques to ensure your safety and comfort.

As leading experts, we are able to undertake more inspiring jobs and special projects requiring custom stage design. Our range of services include building stages, platforms, grandstands, theatres, backstage rooms, barriers, auditoriums...
